

A CAREER IS FINDING JUST THE RIGHT PATH FOR YOU FROM AMONG MANY OPTIONS.

You are important to us. The cornerstone of our success is from the creativity and motivation of our approximately 2,400 employees worldwide at 73 locations. Storopack is a global leader/specialist in developing and producing protective packaging and technical molded parts. We encourage our employees to be decisive even in challenging situations by empowering them to make a difference helping the company grow positively and profitably.

We are looking to recruit a flexible and team-oriented Finance Partner in **Pune**. This position is available for an immediate start.

FINANCE PARTNER

YOUR SKILLS:

- ▶ Bachelor's or Master's degree in Finance, Accounting, or related field (CPA/CA/CFA preferred)
- ▶ Proven 10+ yrs experience in financial management, accounting, and treasury functions
- ▶ Strong knowledge of reporting, audit, tax, and compliance regulations
- ▶ Proficiency in financial systems, ERP tools, and MS Office Suite
- ▶ Excellent analytical, organizational, and communication skills
- ▶ Ability to lead teams and work cross-functionally with senior management
- ▶ Strong Accounting / Finance Management experience in Manufacturing set up
- ▶ Demonstrates high integrity, strong ethical standards, and absolute confidentiality in handling financial matters
- ▶ Structured, detail-oriented, and process-driven with a natural focus on controls, governance, and compliance
- ▶ Analytical and risk-aware, with the confidence to question, challenge, and safeguard financial decisions
- ▶ Takes ownership and accountability for accuracy, reporting quality, and timely financial closure
- ▶ Calm under pressure, collaborative across functions, and committed to continuous improvement and operational excellence

WE OFFER:

Storopack will provide you with on-the-job training as well as continuous further education relating to your position. The job is varied and challenging and we are looking forward to welcoming a new staff member to the already existing, dynamic and dedicated team.

WE LOOK FORWARD TO RECEIVING YOUR APPLICATION:

Storopack India Pvt Ltd.

YOUR RESPONSIBILITIES:

- ▶ Lead and manage end-to-end accounting operations, including general ledger management, reconciliations, accrual accounting, and financial record maintenance
- ▶ Design, implement, and strengthen internal financial control systems aligned with the 4-eye approval framework and defined delegation of authority
- ▶ Establish structured processes for bill validation, expense review, and payment documentation prior to approval
- ▶ Oversee GST compliance processes, tax reconciliations, and statutory reporting mechanisms in coordination with consultants and regulatory authorities
- ▶ Supervise product costing, inventory valuation methodologies, and cost tracking mechanisms within the manufacturing environment
- ▶ Develop and maintain structured financial documentation systems to ensure audit readiness and long-term data traceability
- ▶ Partner with the Business Unit Manager to provide structured financial interpretation, forecasting inputs, and risk visibility for strategic decision-making
- ▶ Oversee payroll financial validation and cost governance in coordination with HR, ensuring financial compliance and cost discipline
- ▶ Monitor working capital components including receivables, payables, and liquidity planning to support operational stability
- ▶ Lead and guide the finance team, fostering accountability, structured working methods, and disciplined financial practices
- ▶ Drive continuous improvement initiatives within finance through process standardization, ERP optimization, and automation enhancements
- ▶ Conduct periodic financial reviews, reconciliations, and control checks to ensure structured and disciplined financial operations
- ▶ Validate supporting documentation and compliance requirements prior to approvals in accordance with internal control frameworks
- ▶ Monitor ERP entries, ledger accuracy, and documentation systems to ensure data integrity and traceability
- ▶ Collaborate with cross-functional teams to review costing, financial risks, and process improvements within the organization
